

FOR IMMEDIATE RELEASE

FIVE FINGER DEATH PUNCH HAS A PROBLEM!

Los Angeles, CA – August 22, 2007 – Firm Music's newest stars - **FIVE FINGER DEATH PUNCH** - have created quite a buzz with their debut album, *THE WAY OF THE FIST*. Delivering their own brutal brand of metal to audiences all over the nation on this summer's FAMILY VALUES TOUR, the band members are proud to officially announce that they will extend their stay on the road, joining the likes of Korn, HellYeah & Droid on this fall's **B#@CH! WE GOT A PROBLEM TOUR**.

Expressing his gratitude to the thousands of fans that witnessed FFDP command the RedOctane "Guitar Hero" stage on this summer's FAMILY VALUES TOUR, Vocalist Ivan Moody had this to say: "Family Value 2007 has been an experience I will never forget! ALL the bands are above and beyond amazing. Thanks all the Knuckleheads and the bands for making this summer unforgettable."
